### **Important Notes:**

- Evacuation coverage only applies to individuals who are **not** traveling in their home country abroad.
- Evacuation coverage will be to the nearest “safe” or “medical care” point, which may **not** be full return to the United States.
- Benefits may **not** be active in countries with an official U.S. Department of State Travel Warning and/or on the official U.S. Export/Embargoed country list. If you are traveling to one of these countries contact us immediately at [world@stetson.edu](mailto:world@stetson.edu) to discuss coverage.
